We Do It All

From simple repair to highly-involved installation, as a full-service air conditioning company, we do it all, including:

- Service and maintenance
- Repairs
- New unit sales and installation
- Retrofit
- Duct design and installation
- And more

Arizona Comfort Specialists (formerly Rainbow Air Conditioning) is a family-owned and operated full-service air conditioning, installation, repair, and service company, who has proudly served the Phoenix metro area since 2000. We are passionately committed to integrity, honesty, fair pricing, and guaranteed quality-work.

- Integrity
- Honesty
- Transparency
- Fair Pricing
- Guaranteed Quality-Work
- Excellent Reputation
- BBB A+ Rating

We serve the air conditioning needs of both homeowners and businesses. We also work closely with construction companies, remodelers, restoration companies, and contractors of all types, to serve their customers.

Trusted

Whether your air conditioning unit needs seasonal maintenance or complete replacement, you can trust Arizona Comfort Specialists to give you an honest evaluation of the situation. We listen to our customers, we diagnose the situation, and we explain our finding. We then devise the best plan of action for our customers, and we expertly repair what can be repaired and install what needs replacement. Our work, the parts we use, and the equipment we install, are 100% guaranteed.

We bring our family values to work with us, every day. We work hard to earn our clients' trust and foster long-term relationships by providing them with superior service and treating them fairly. We are proud of our excellent reputation and of our spotless A+ ratings from the Better Business Bureau.
